

MARCH 2023

BOYS & GIRLS CLUB
OF LAGUNA BEACH

The Inside Scoop

GREAT FUTURES START HERE

WHAT'S HAPPENING AT THE CLUB

INTRODUCING MY CLUBHUB

Over the next few months, our organization will be implementing MyClubHub, a new membership database that will support a variety of management functions throughout our organization and provide an enhanced registration process for our families through the use of a Parent Portal.

MyClubHub is

- **Intuitive and easy to use**
- **Helps club staff connect with Parents more efficiently**
- **Provides relevant and timely data**

With these and many other benefits, MyClubHub will allow us to better focus on our relationships with our members, and families.

What benefits will I see?

- **Easier membership and program registration**
- **Ability to register more than one Member at a time**
- **Ability to set up auto-pay or pay to account**
- **Notifications and reminders for upcoming payments**
- **Ability to view the near real-time status of your kid at the Club•Mobile/Tablet compatibility**

More information to come! Stay tuned.

Spring Programs are live!

Check out our Spring Booklet to learn more about the Enrichment Programs and camps that are being offered this Spring! Spring Camp information included.

Preschool Teachers Wanted!

The preschool needs 2 new teachers with a minimum of 24 ECE/CD units!

This need creates a strain on the current preschool team and the Early Childhood and Family Services Director as they are stretched thin, even more so when someone is out sick.

Search “Boys & Girls Club of Laguna Beach” on Indeed to view our job opportunities.

CLUB HIGHLIGHTS THIS PAST MONTH

Teen Center Ribbon Cutting

With generous support from the Boys & Girls Club of Laguna Beach community and Deana Duffek of Design with Purpose, the Loft and WellSpace has been transformed into an inviting and healing oasis where our teenaged members can connect to support, resources, and information on a variety of physical and mental health topics that promote whole-person wellness. Currently, this space serves 20 to 30 teens daily with the capacity and expectations for growth.

As the saying goes, **“we suffer in isolation and heal in community.”** Here, we are building resilience through the community.

Saddleback Branch Free Week

From the end of January to the beginning of February, our Saddleback Branch sites held a "Free Week" which changed the price of our typical membership to allow more youth to experience the Club at a fraction of the cost!

Our Oxford Saddleback Valley site welcomed 13 new members during Free Week!

We're excited to see how promotions like these bring in more youth to the Club.

2023 National Arts Contest

Our 2023 Annual National Arts Contest was a success at our Canyon location thanks to our members and our very own Elementary Art Expressions Director, Mar Stash! The National Arts Contest enables club youth to develop their creativity and cultural awareness through visual arts. Our Local art show kicked off with a ribbon-cutting ceremony, refreshments, and music, joined by an impartial panel of two or more qualified local judges to evaluate art pieces and photography created by club members.

EL TORO PARK COMMUNITY WRITERS

In the Community Writers program, staff takes the time to educate our members about how people give back to our community. Recently, El Toro Park members chose the South Orange County Family Resource Center (FRC) Manager, Eduardo. Members created a poster and homemade cards saying thank you. El Toro Park Site Director Kamisha dropped them off to Eduardo's assistant and she was so enthusiastic and said he will love them!
