LA PAZ
FALL PROGRAMS
9/16/24 to 11/15/24

Study Zone- Monday - Thursday @ 3:00 pm (1:00pm on Mondays)

Daily homework help and assistance! Earn prizes for completing your homework at the end of each week for daily participation in Power Hour.

Club Pit- Mondays @ 2:30 pm

Members will engage in a variety of activities geared towards improvisation, creativity, and connection. With that in mind, the primary objective is to foster friendships and confidence in our members.

Walking Club—Tuesdays @ 4:00pm

Members will have a chance to bond over guided conversations within the topics of social awareness, mental health, healthy eating, pop culture, and more, over a walk on the track field.

Cooking Culture—Wednesdays @ 4:00pm

Members will learn step-by-step how to make food from various regions of the world, the traditions of the country as well as facts from them. The primary goal of this program is to have our members gain a better understanding of the world and different walks of life.

Team Trailblazers— Thursdays @ 4:00pm

Trailblazers' main mission is to give leadership opportunities to our members who have been outstanding during other aspects of The Club. Letting them run various activities that fit their interests in hopes of having other members find out more about their interests.
