

BOYS & GIRLS CLUB OF LAGUNA BEACH

Proudly Serving: Laguna Hills • Lake Forest • Mission Viejo

THE CLUB @ LOS ALISOS

FALL PROGRAMS

Fall Programs run from 9/21/26 to 11/20/26 (9-Weeks)

Power Hour- Monday - Thursday

Members will achieve academic success through daily homework help, tutoring and high yield learning activities! This program encourages youth to become self-directed, life-long learners. Each week, members will earn prizes for their participation!

Art 4 the Heart- Tuesdays @ 3:30pm

Allows members to express themselves through creativity and hands-on art projects. Members will explore activities such as beads, diamond art, painting, drawing, crafts, seasonal projects, and more. The program encourages creativity, self-expression, and imagination while helping youth develop new artistic skills and create projects they can be proud of.

Triple Play- Wednesdays @ 3:30pm

Triple Play encourages members to strengthen their minds, bodies, and souls through fun, engaging, and interactive activities. The program promotes healthy lifestyles, teamwork, and positive choices while giving youth the chance to be active, energized, and connected.

Esports Club- Thursdays @ 3:30pm

Esports Club gives members a fun and welcoming space to connect through gaming using our Nintendo Switch and Xbox. Members can participate in organized games, friendly competitions, tournaments, and team-based challenges with their peers. The program encourages teamwork, communication, sportsmanship, and problem-solving while giving members the opportunity to build friendships, create memories, and enjoy gaming together.

Cooking Culture- Fridays @ 3:30pm

Cooking Culture teaches members cultural competence through guided cooking activities and group discussions. The program allows youth to explore new foods, traditions, and perspectives while building teamwork, communication, and culinary skills. Members will have the opportunity to prepare and try dishes inspired by different cultures while learning about the traditions and stories behind the foods they create.
